## New Product Announcement

All Therm Services is pleased to announce our latest product offering from

# armacell®

MAKING A DIFFERENCE AROUND THE WORLD

## Armagel HT

### Say Hello to the future. Today.

Introducing **ArmaGel HT**, our next generation aerogel blanket technology. Flexible and bendable. Ultra-thin. Ultra-light. Superior thermal performance. Environmentally safe. C1728 compliant **Armagel HT** is the reliable solution for high-temperature applications.

### Armagel HT has several benefits including...

**Increased Coverage** - more choices - 5, 10, 15 and 20 mm thicknesses available. More coverage - Better installation productivity!

**Superior Thermal Performance** - Offering up to 5 times superior thermal performance verses like-for like competing insulation products

**CUI Defiance** -  
Hydrophobicity and breathability enhance protection against CUI

For More Information on Armagel HT please visit [armacell.com/armagel](http://armacell.com/armagel) or [www.alltherm.ca](http://www.alltherm.ca)
